

## What are Optimum Wellness Plans?

Wellness Plans are individually tailored preventive care plans for your pet at all life stages which ensures your pet's optimal health.

**Wellness Plans are not insurance,  
They are better!**

Optimum wellness plans are a way to care for your pet by providing disease prevention and early diagnosis.

They are not intended to treat unforeseen injury or illness.

Wellness plans are affordably priced proactive healthcare plans that provide continual healthcare at a discounted price.

Wellness plans give a large discount of approximately 50% on all covered preventive services.
